Prayer for our Missionaries

Ruth Gituka (Kenya)

Ruth serves in Kenya church planting with Africa Inland Church. Pray for Ruth as she continues in ministry to women in the church. Pray for her good health and relief from the economic crisis the country is facing. Praise God for his provision of rain and all the needs of Ruth's church in Kenya.

Prayer for Local Ministry

MOPS (Mothers of Preschoolers)

Pray for the MOPS group that meets on the first and third Fridays of the month at Grace Bible Church (September – May). Praise God for the moms and kids who have been attended this year. Pray that their summer would be a time for refreshment and continued connection with each other and their families. Pray for Beth Kraus and the Steering Team as well as the volunteers who watch the children while the moms are in the meeting.

A Prayer for Transformation

Despite the situations that seem out of control, you sit exalted over the earth. In the midst of my many struggles, I choose not to complain but to praise you for your greatness.
